

# SAME OLD MOSES

*In 1889, a Kansas grocer made his way to the newly opened Oklahoma Territory to seek his fortune. Moses had endured a challenging life, but never let hardships halt his unwavering drive for better opportunities. He found those opportunities in founding the first legal saloon in The Territory, roughly 100 yards from the distillery that crafts the whiskey named in his tireless pursuit's honor today. That saloon was Same Old Moses.*

*Same Old Moses Bourbon is a 4-grain Bourbon Whiskey, aged 4 years, then double-barreled in new American White Oak, emphasizing the character that, like Moses, remains unwavered in it's pursuit of perfection. There's nothing Same Ol' about Same Old Moses.*
